

**24<sup>th</sup> November 2017.**

**Letter from the Interim Head Teacher.**

**Dear Parents and Carers**

We are now approaching the end of term and before we are engulfed with the busy Christmas period, I wanted to write to you to thank for working so positively with the School over what has been a difficult period.

There have been many challenges since September but a great deal of work has been undertaken and progress has been made in a significant number of areas. I know there is still much to do but I am confident that with the continued energy and commitment from our Governors, Bradford LA, the staff and the pupils and with your essential on-going support and encouragement, we will further improvements in 2018, building on the solid foundation we have established this term.

I have attached a summary list of the events that are planned to take place over the remainder of this term, that Parents can be involved with. I hope you find it useful. **Could I also confirm and highlight that the School will close on the 15<sup>th</sup> December at 2.30pm.** There will **not** be an after School Club on this day.

Looking forward into the new school year, there will be some new opportunities for you to join with us and support your child's learning, progress and well-being. We are planning several Parent workshops. The topics include – phonics and helping your child to read well, Mathematics at Greater Depth, Good practice in supporting children who use inhalers and E Safety. Information will be sent out before the end of term so you can sign up for any of the events, if they are of interest to you!

Finally, a very big thank you for the part you will be playing over the next few weeks in helping your children take part in the many pupil activities planned! I look forward to seeing you at the various performances, the Winter Ball, and at the KS2 Church Service.

Yours sincerely

Carol A McDermott

Interim Head Teacher.
