We discussed the following subjects:

- The date for our visit to a local primary school (East Morton CE Primary) to look at their playground facilities

Thursday 30<sup>th</sup> March: School Council's visit to East Morton CE Primary School

## Messages

- We are in the process of plans to make our playground a better place. If you know or are a local artist, we need your help!
- We would like to say a huge thank you to our local MP for paying a visit to our school today. We learnt so much about Parliament and we were given some great tips on running your school council.

Please see our display board opposite the office door for more information on our weekly meetings. If you have any suggestions or worries about something in school please speak to your class representative.
