

# Reception

Autumn 2 1.12.17

## Take Home & Talk Sheet

### Maths

This week in Maths we have been exploring flat and solid shapes - rectangle, circle, triangle, square, sphere, cone, cylinder, cube, cuboid... Please look for these when you are out and about this weekend.

### Phonics

This week in Phonics we have been learning the letter sounds j, v, w and x. Please can you ask your child to practise forming the letters correctly using the sayings and recognise the letters without the pictures for clues.

### Literacy

This week in Literacy we have been talking about Christmas traditions and drawing and writing about our favourites. Please remember to sign the planner when your child has read at home. Thank you.

### Christmas Nativity

Wednesday 6<sup>th</sup> December 2 pm

Thursday 7<sup>th</sup> December 2 pm

### Stay and Play

This is taking place on Tuesday 12<sup>th</sup> December from 8.40 am - 10 am, to coincide with the flu jabs in school. This is an opportunity to stay and play with your child in the setting. Please note - children **MUST** be accompanied by an adult to receive a flu jab.

What to focus on when listening to your child read...

**Lilac books** - Encourage your child to talk about the features of a book e.g. title, author etc. Can your child predict what they think the story will be about? Ask your child to tell a story using full sentences about what is happening in the illustrations. Also ask questions about the, setting, characters and characters feelings.

**Pink 1 books** - As above and also encourage your child to use their pointy finger when reading, recognise and say the initial sounds of words and use picture clues to help them read unfamiliar words e.g. bear.

**Pink 2 books** - As above and also encourage your child to recognise the high frequency words and tricky words without sounding them out e.g. go, the, etc, also to segment and blend the CVC words and then re-read the sentence after sounding out.
