

# Friends of Wycliffe News Update

## Trim Trail Tidy Success

The Friends of Wycliffe organised for a charity called Participate to clear the green area behind the playground. Great work was carried out clearing brambles, nettles, over grown bushes and trees, making the story telling area more stable, removing rotten sections of the trim trail, clearing the pond area and making the fencing stable, bringing the willow tunnel back to life and painting wooden items to help keep them longer. Thank you to all the volunteers including parents and siblings. We hope children enjoy playing and learning in this amazing space.

**\*\*\*DONATION REQUEST\*\*\*** To enable our children to access this amazing space all-year-round, we are asking for donations of pairs of wellingtons, lightweight waterproof clothing (trousers, kagoule's etc). If your child has perhaps grown out of these items, we could really make use of them for other children.

### Disco News

At the end of last term we raised over £500 for **I ♥ MCR** and school by having a disco and café. We will repeat this event soon. Children enjoy themselves at the disco whilst parents and siblings come along to the café.

Friends of Wycliffe have donated £150 to buy books for the school library. In conjunction with Usborne Books we have bought a set of books for different ranges of reading level. These will be presented to school in celebration assembly.

### Bulb Planting

Now the trim trail is looking so good we would like every child to plant some bulbs. This will be done during school time and or after school. This will be weather dependent so watch out for a text message if we do this after school.

**MACMILLAN COFFEE MORNING -  
COME AND MEET US**  
**Friday 29<sup>th</sup> September, 9am-11am**

Come along and see what we do and how to get involved, whilst having cuppa and a biscuit. Everyone welcome
