

EGGSHIBITION

Egg Decorating Competition

Dear Parents/Carers,

Friends of Wycliffe are looking forward to seeing lots of decorated eggs at the popular annual 'Eggshibition'. For new parents this is a competition for children to do at home.

How to create an egg for the Eggshibition - Please see the Friends of Wycliffe page on the School website.

All the eggs will be displayed in class groups, with no names shown. Every class in school will visit the display and each child will be asked to select their favourite egg from each class and record on an official ballot card.

Once the children have selected their choices the ballot cards will then be posted and counted, with the winners being announced in celebration assemblies on Friday 7th April 2017.

All eggs entered into the Eggshibition will receive a cracking certificate and a small prize. The most popular egg from each class chosen by the secret ballot will receive an Easter egg. As usual, everyone is very welcome to join us at the assemblies

Please hand in decorated eggs to the class teacher on Tuesday 28th or Wednesday 29th March 2017.

The Eggshibition can be viewed by parents after school on Thursday 6th April in the Main hall. We will be holding a special annual general meeting where the school choir will be singing, musical instruments can be made, drinks and snacks can be purchased and we will have a raffle on this eggsciting occasion!

Yours faithfully
Friends of Wycliffe
