

2014 – 2015 Sports Funding Allocation £8900

What we have spent	Rationale	Impact so far
Purchased 10 balance bikes for reception and Year 1 children	Balance bikes are much safer and more practical than tricycles and training wheels. Tricycles are slow, awkward to maneuver and easily tip on uneven or angled surfaces. On a balance bike, children are focused on balancing, rather than pedaling.	Children developing confidence and co-ordination. Natural progression to a pedal bike. Children more active.
Provided Bikeability courses for Y4, Y5 and Y6	To ensure all children gain practical skills and understand how to cycle on today's roads. Develop children's skills and confidence in cycling.	All children completed Bikeability and achieved proficiency at level 1.
Additional playground equipment for break times and lunchtimes.	This equipment was purchased to provide children with a range of activities to play with at playtimes, encouraging team work, and engagement in physical activity. More collaborative games/ resources purchased.	Children are more active at playtimes and engaged in physical activities, e.g. skipping, ball games. Children play co-operatively.
Provided training for dinner supervisors. New staff so training repeated.	To enable dinner supervisors to introduce playground games and activities at lunchtime.	Dinner times are structured with more opportunities for children to participate in healthy exercise and games.
Employing specialist Physical Education teachers and qualified coaches to work alongside teachers in lessons.	To increase teachers' subject knowledge and confidence in delivering high quality PE lessons.	Teachers are able to plan effective and high quality PE lessons. (this is ongoing as 2 x NQTs and 2 x new staff)
Qualified coaches employed to deliver football training to all classes at lunchtimes.	To provide children with the opportunity to develop football skills and to take part in inter-house competitions.	Children's skill in football is developing and participation is high.

After-school multi-sports for KS1	Promote healthy lifestyle choices and provided more sporting opportunities.	Developing skills, knowledge of rules of the game, pupil engagement and enjoyment enhanced as well as physical activity.
What we have spent	Rationale	Impact so far
