We are very pleased to announce that we have just converted from being a Local Authority School to being part of the Bradford Diocesan Academies Trust; a Bradford based Church of England Multi-academy Trust. I feel that yourselves and the children will see very little change in the day to day activities undertaken in school but we feel proud to be part of such a valued and supportive network of schools and leaders.

PE: It has come to our attention that many children do not have P.E. kits in school on their P.E. days. Can we remind you that children are required to wear a white shirt, navy blue/ black shorts/ tracksuit or jogging bottoms and trainers. Hair, long enough to be so, needs to be tied back and earrings need to be taped over or removed by your child. These reminders are to ensure the safety of our children. **Moving forward, children without the correct P.E. kit will miss out on participating** and we will remind you to send it via our homework journals. P.E kits can stay in school over a half term period should you wish. **Please help us to keep our children safe by taking heed of this polite request.**

COOL TO BE Kind day

Thursday 15th November 2018

As part of the national Anti-Bullying Week Campaign, we will be holding a special day promoting how cool it is to be kind. All different, all equal is our school motto and this day will reinforce that message of being kind to one another no matter what our differences may be. Our 'Cool to be Kind Day' will take place on Thursday 15th November. During the day, we will be getting involved in lots of fun activities. One of the activities that we would like to run across the whole school is for each child to create a t-shirt that displays a very important message. Therefore, we are asking that each child brings a plain t-shirt into school that can be decorated and worn on this special day.

'Stay and Play'

'Stay and Play' are sessions for pre-school children and their parents/carers every Friday, 9.00—10.00am. This is a chance for parents, carers and children from the community to come together for activities, messy play story-telling and, of course, refreshments for both children and adults — all free of charge!

Tour De Wycliffe

Several of our families are now coming to school by cycle or scooter. Could we ask that you please leave these under the KS2 sheltered area in the morning and not ride them through the playground. Our caretaker will lock them away and put them back out there at the end of the school day. We are currently investigating the erection of a bike shelter—so watch this space!

Children in Need - Friday 16th November 2018!

We would like to invite children to come to school wearing their pyjamas for Children in Need on the 16th November. We would like to request that children donate £1 for this fantastic charity.

In addition we will be hosting our Big Children in Need Breakfast where families can come together to enjoy a cooked breakfast before school. Letters have been sent out for this event as booking

HOUSE POINTS:

We have begun an extra way of celebrating positive behaviour and team building in school. Each child has been allocated a house: St Ives, Hirst Wood, Northcliffe Wood and Heaton Wood. Children can receive house points from any member of staff throughout the day, then each week we will announce the winning house and points will accumulate into an end of half term treat for the 'winning house.'

In school, we love being creative but because we have such smart uniforms that we don't want to spoil, we need your help. Please send into school any large adult t-shirts that can be used as 'aprons'. We shall share these between classes and they will be very useful when we are doing Arts and Crafts or Design Technology.
