Dear parents/carers,

We are currently readdressing our School Vision Statement. You and your children play the most important roles in our school and we would value any input on what we have forged as a staff team to date.

Vision Statement

We nurture an aspirational family of hard-working, respectful individuals who work collaboratively to have a lifelong love of learning.

“Life in all its fullness” (John 10:10)

Our vision is to ensure that our school family are happy and fulfilled in a creative learning environment. This will be flexible and cater to individual needs and develop a love for learning through which all members can flourish. Our priority is to nurture habits and accountability which lead to sustainable development and responsibility.

Values Statement

We shall achieve this vision through the promotion and celebration of our six Christian Values.

Please forward any comments to the school office on: office@wycliffe.bradford.sch.uk

Yours faithfully,

R Rawling

Assistant Head/SMSC Lead
