April 5th

Dear parents/carers,

A bit of news to share with you all. Firstly congratulations to Miss Sawyer and Miss Rawling, both of whom are expecting their first child in August. All being well they will continue working up until the summer break so we will not lose them for a while yet.

On a sadder note, it is with regret that I inform you that we are losing our Parental Involvement Worker, Claire Holland. After eight years of loyal service Claire has decided to take on some studying and develop her interests in other things. I am sure, like everyone here at Wycliffe, you join me in wishing her all the very best and thank her for all her hard work and loyalty over the years. She has already voiced how much she will miss all members of the Wycliffe community but I am sure she will keep in touch.

Kindest regards,

Denise Baxter
Headteacher
