Friday 5<sup>th</sup> April 2019

Dear Parents,

### **Design and Technology**

As part of our study of the Stone Age to the Iron Age, we will taste some prehistoric foods which are still commonly eaten today. Once we have made our 'tasting notes', we will create a 'prehistoric' recipe using our limited seasonal foods gathered from the forest.

We will taste the following foods/drinks:

- Nettle Tea
- Dandelion and Burdock
- Apples
- Plums
- Blackberries
- Elderflower Cordial
- Sorrel salad leaves

If you **do not** want your child to taste any of the above, please let either Mr Hird or Miss Williams know.

### **Film (Early Man) – PG**

The film 'Early Man' is a lovely way to bring our topic to a close. It brings together our learning about Prehistoric Britain in a fun and engaging way. This film has a PG rating but we feel that the content is suitable for the children in Year 3. The film is set at the dawn of time, when prehistoric creatures and woolly mammoths roamed the Earth. Early Man tells the story of Dug, along with sidekick Hognob as they unite his tribe against a mighty enemy Lord Nooth and his Bronze Age City to save their home.

Again, if you **do not** want your child to watch this film, please let Mr Hird or Miss Williams know.

Kind Regards,

Year 3 Team
