Dear parents and carers,

As promised via our newsletter, our School Council would like to invite you to take part in our new Secret Santa initiative. The Secret Santa appeal is run by JCI Bradford and we would love if you could help us to make some Christmas wishes come true. We would like to ask people to donate a present for the age group of their child so that we can help make Christmas that bit more special for families who are less fortunate than many of us. We will be collecting donations until December 13th and any **new gift, wrapped**, with an age, a gender specific label (if you feel this is appropriate) would be amazing. This initiative is of course optional but we hope that some of you can help us to spread some Christmas cheer at this most wonderful time of the year.

Yours sincerely,

Mrs E Barlow and the Wycliffe School Council
