Instructions

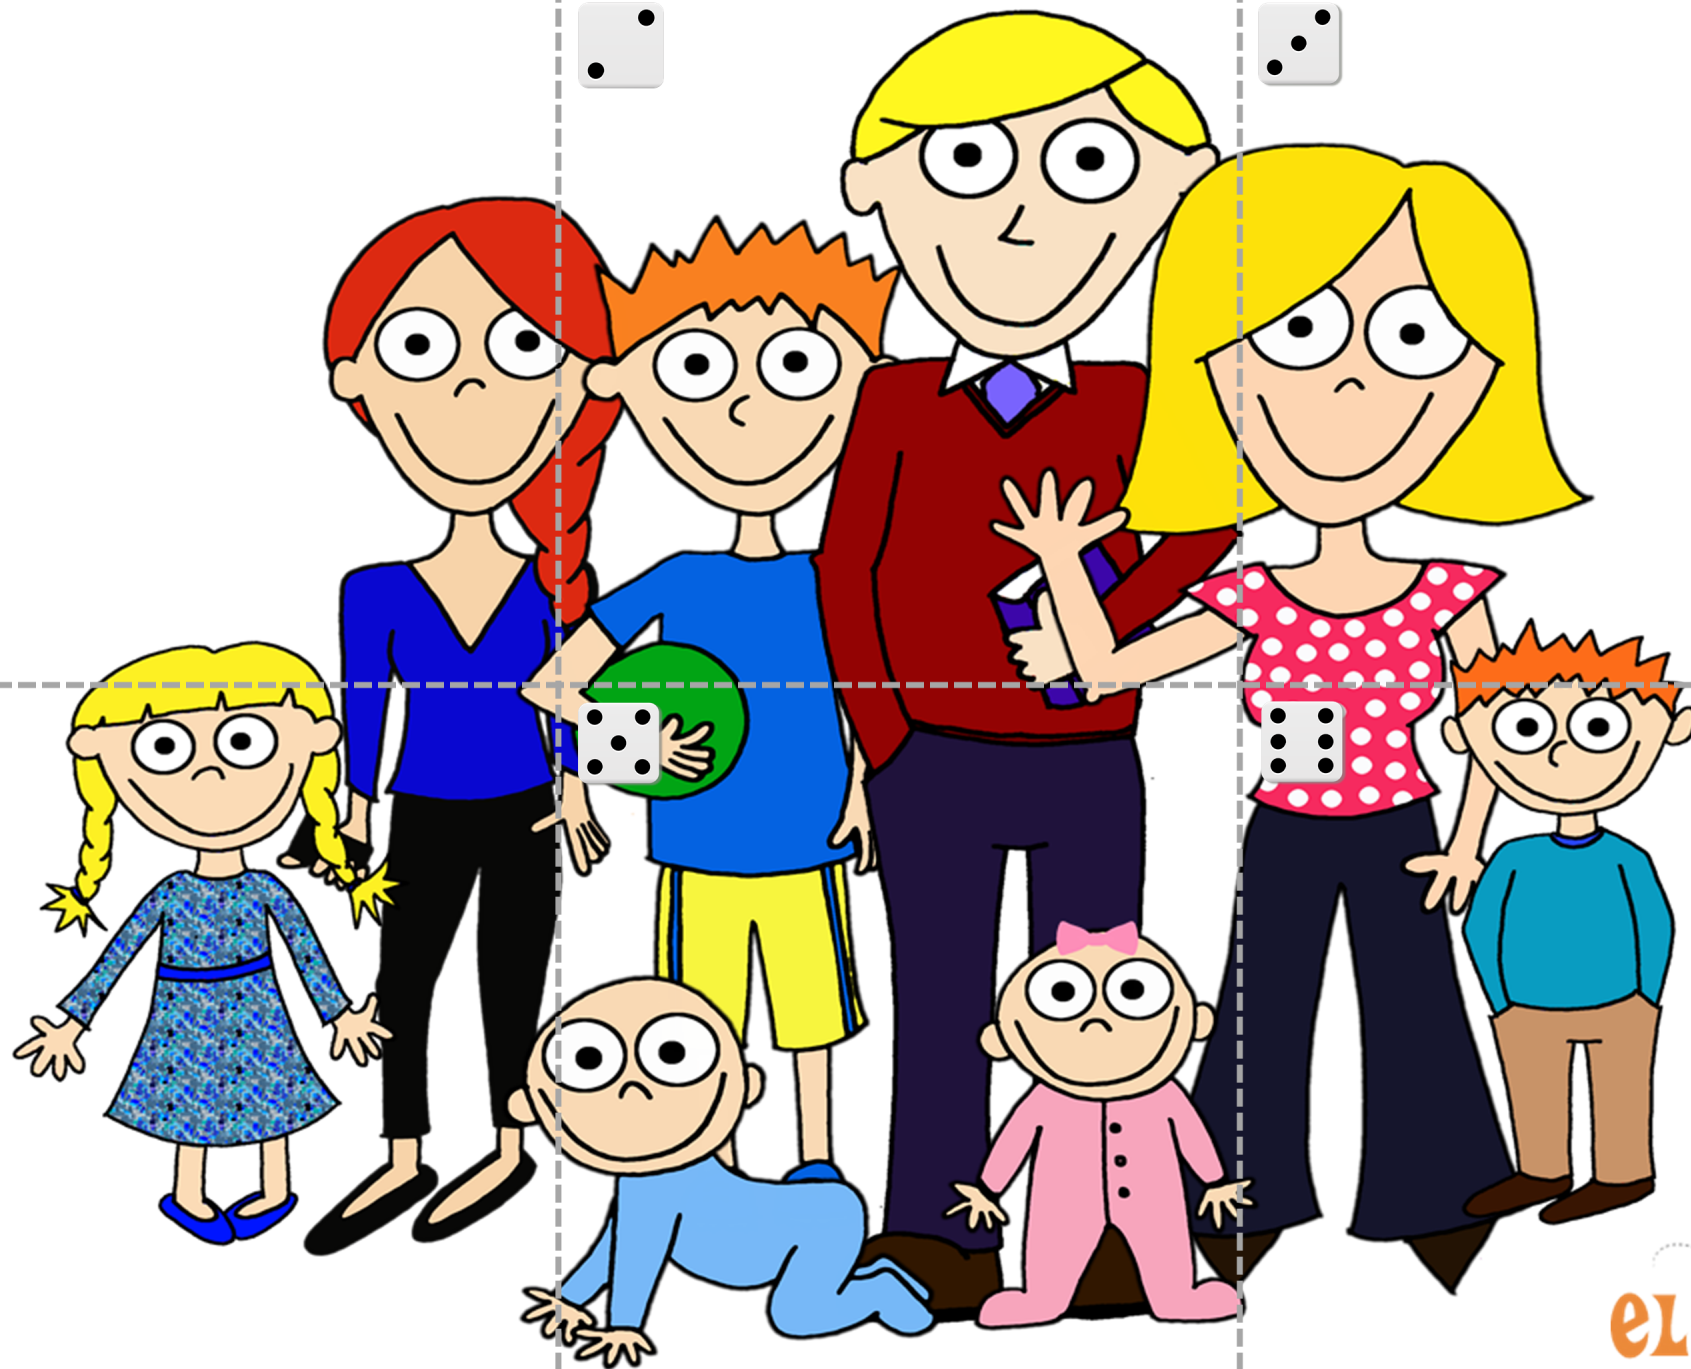

Please do not print this page.

This puzzle consists of two pages printed back to back.

Once you have printed it back to back please cut along the dotted lines to make a puzzle consisting of 6 pieces.

Give the child a die and they throw a number. They then pick that piece of the puzzle that has that number. They must answer the question on the back of the puzzle piece to win that piece.. See if they can get all six pieces to make their puzzle picture. Once they have made their picture you can chat about the different members of this family and how they BELONG together because they are family just like they belong with their family.

Who lives in your home
with you?

Do you have family
who don't live with you
in your home? Who
are they?

Tell me about your
home? Do you have
your own room or do
you share?

Tell me about a time
when you had a
family celebration
Or holiday?

What is the biggest
emotion you feel
about your family?

What is your happiest
memory about your
Family?
