15TH Sept 2020

Dear Parent/Carers,

Milk in Schools Scheme

We are now taking orders for milk for the whole school year, rather than termly.

All **Reception** children are entitled to **free milk** if they are under 5 years old so will automatically be added to the milk list. If they turn 5 during the current term, and as they progress through school, they will need to start paying unless parents have made a successful claim for free school meals via the benefits system. Please let us know if you would like your child to receive milk once they turn 5 and we will set up payment accordingly.

Please make payment via online Parent Pay, by **Thursday 17th Sept**. Payment will be set up termly @ £12.70 for 3 terms, or £38 for the year. Please let us know which payment type you would prefer on the slip below.

If your child is on free school meals (not universal free school meals) they are entitled to free school milk, please complete the slip below if you wish your child to receive this milk.

If you wish your child to have milk but will struggle to pay by the deadline, please speak to a member of the office staff without delay. **Due to the supplier ordering system, no orders for milk will be accepted after the cut of date of 18/09/2020.**

Yours faithfully,
Mr A Hussain

PLEASE RETURN THIS SLIP AND YOUR PAYMENT TO SCHOOL BY 17th SEPTEMBER 2020.
