

In the absence of a summer fair this year, CAPOW have been thinking how to bring a bit of fun to the families of Wycliffe and we think we've come up with a great plan!

We have purchased 50 Treasure Trails for Saltaire: <https://www.treasuretrails.co.uk/things-to-do/west-yorkshire/saltaire>.

They will be given away to the first 50 families who request one, but the idea is that you could team up with another family to do this! The maps normally cost £9.99 each, but we are giving them away FREE, as a fun, Covid safe, family activity for over the summer holiday. The trail is outdoors and fully accessible. It covers 2 miles and takes around 2 hours to complete.

PLUS, when you enter your correct answer on the Treasure Trails website and you can be entered into the monthly prize draw to win £100 and you can print a certificate for the children!

If you miss out on getting one of the free maps this time, you can still purchase this and maps for other locations here: [Treasure Trails - the fun way to explore](#)

Over summer, we will be putting up a new crowdfunding page and if you can make a donation that would be great – we haven't been able to do a lot of fundraising activities this year, so any contribution would be greatly appreciated so we can invest in more extra-curricular activities and new equipment for the children next year. The donation is of course optional, so if you would rather not, and you'd still like to enjoy the treasure trail, that's ok too – enjoy a treat on us!

To collect a map, just drop into the office and request a copy before Friday 23rd.

We look forward to bringing back a full range of activities in the new academic year, but until then we wish you a fabulous summer, with plenty of sunshine and laughter – we're all ready for that!

Happy treasure hunting and we'll see you in September.
