

WYCLIFFE WEEKLY

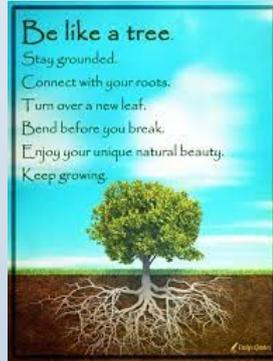

21st January 2022

Children's Mental Health Week

7th-11th February.

Our theme this year is **Growing Together**. Just like trees and plants need support to help them grow, we need support to help us grow emotionally. We need our parents and carers, our teachers, our friends. We often need others to help us to believe in ourselves, to keep going and to try doing things a bit differently. We will be encouraging children (and adults) to consider how they have grown and how they can help others to grow. We will be ending the week with a **'Dress to Express' day on Friday 11th February**. Think about how you could express yourself with your clothes or your hair. You could wear fancy dress, your favourite colour or a range of colours that show how you are feeling.

WYCLIFFE

What do you hope to learn and achieve this year?

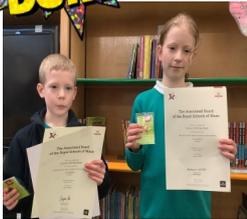

WONDERS

OUR CHRISTIAN VALUE IS:

TALK THREAD

How would you change the world if you could?

Several of our recorder pupils have recently taken their ABRSM Music Medals exams. Ethan achieved his Copper and Hana passed her Bronze.

Well done; they are tricky exams and you must have worked very hard!

This week in Chestnut Class, our RE lesson took place at St. Paul's Church. We spent the afternoon learning about all of the features of a Church and their purpose. It was great to see them in real life! Once we had been on a hunt for all of the features, we were able to ask lots of questions about them. Then we listened to a story from the Bible. We can't wait to show off what we have learnt in our RE books next week.

48

(alternatively choose 4 or 8 for a one-digit option)

Write down all of the things that you know about this number. Think about multiples, factors, number bonds, doubles, halves, finding the total, difference or product, multiplying and dividing it- the opportunities are endless! If you would like to email through your thoughts or bring them into school, Miss Rawling would love to see them.

HAVE YOUR SAY

Future plans for transport in the Shipley Bradford area affect *all residents*. **Road safety, air quality, traffic congestion, public transport;** together we can influence decisions if we are well informed.

There is a unique opportunity for Bradford and Shipley residents to listen to and question key stakeholders about the current plans and to impact on how this important development turns out. Come and find out what those plans are and voice your opinions and expectations. Bring the family - alongside the serious stuff there will be fun activities for kids and anyone young at heart.

WHAT; Public Consultation on the West Yorkshire Combined Authority's road development plans between Bradford and Shipley, hosted jointly by the Bradford Shipley Travel Alliance and Shipley Town Council.

WHEN; Saturday 5th March, 10am - 4pm

WHERE: Kirkgate Centre
