

WYCLIFFE WEEKLY

18th February 2022

World Book Day 2022

This year it is the 25th anniversary of WBD! We will be celebrating WBD in school on **Friday 4th March**. This year, we have chosen the theme 'Where's Wycliffe?' Pupils, parents and staff are invited to help us celebrate WBD by dressing up as Where's Wally—or a similar character. All you need are school bottoms/jeans, a white top with red stripes (you could use red tape so that you can reuse), a bobble hat and some glasses! See the picture for the finished look! On this day, we will be carrying out a range of fun activities all linked to promoting a love of reading! We can't wait to try spot everyone in school! **We would also like children to bring a favourite book to school to share with a friend.**

NUMBER OF THE WEEK

2022

(or any number that you can make using these digits e.g. 2, 22, 20, 202, 222)

Write down all of the things that you know about this number. Think about multiples, factors, number bonds, doubles, halves, finding the total, difference or product, multiplying and dividing it- the opportunities are endless! If you would like to email through your thoughts or bring them into school, Miss Rawling would love to see them.

Scoot to School!

What is it?

After half term we are planning scooter-time playtimes in school. We are hoping that this will encourage scooting to school and cars staying parked at home - at least on your child's specific day!

How does it work?

Your child simply comes to school on their scooter.

Playtime - a slot where they can zoom around the playground with friends - should they wish - or playtime as normal.

What if I do not have a scooter?

Shipley Council have given us a grant to purchase 25 new scooters that we can share out on these days!

A HUGE thank you to them!

What if our scooter gets broken?

Scooters brought in are done so entirely at your risk. We cannot be held responsible if they are damaged or broken.

How will we know which scooter is ours if some are the same?

PLEASE FIND A WAY TO NAME YOUR SCOOTERS!

Where will they stay during the day?

In the KS1 or KS2 shelter depending on your child's class.

Can we ride them into the playground in the morning?

No - please walk in from the gate and pop it in its correct area.

Can breakfast and after school club members join?

Yes - but they **must** be named please. We will place them in your areas for you in the morning and Mr Hussain will collect them with you at night.

When will it start?

As soon as the new scooters arrive - watch this space for your day of scooting!

Why are we doing this?

To have fun! To keep us healthy. To reduce traffic. To reduce our fuel costs. To reduce pollution.

Red Nose Day

Friday 18th March

Pose with a Nose!

This year, we will be fundraising by practising our yoga poses with red noses! Please bring your children into school in active/comfy outfits that are suitable to practise their yoga poses. We would love to see you posing with noses at home too - send your family yoga photos in!
