This week, you *may* have started receiving texts from your child's teacher—reporting on your child's outstanding behaviour. **We text for purple or gold.** This is an opportunity to share something positive with you all and support our good behaviour in school.

Briefly, our policy states:

Purple or Gold—fantastic—perfect role model. Exemplar behaviour leading to great learning!

Green—a great place to be!

Amber—a bit of thinking time—our children need to choose positively to move back up—always our aim!

Reds—not many of these but it may mean parents need a call and new choices need making so we can all reach purple by the end of the day!

ATTENDANCE

After a period of leniency through the pandemic, we are expecting attendance to return to being a priority within our school community. The majority of our children are regular attenders and we are very proud of this!

Our recently governor approved Attendance Policy can be viewed on the website as from Monday 21st March but here is a snippet:

Punctuality

Lateness is not acceptable as it disrupts lessons and may lead to more serious absence. Punctuality is a life skill which must be taught and encouraged.

Wycliffe follows DfE guidance which states that schools should close the register to pupils 30 minutes after the start of the session.

Start and finishing times of registration: our doors open at 8.40am. **A pupil arriving after 8.55am will be marked as Late. A pupil arriving after 9.10am will be marked as Absent.** Guidance is given to staff on the accurate completion of registers.

We apply the following coding:

L is used if a child arrives after the register has been called, but within 15 minutes of the start of the school day

U is used if a child arrives more than 30 minutes after the start of the school day.

We understand that there will be genuine reasons for lateness, however regular incidents of lateness will be followed up and reported on by our attendance team. Staff will speak to families in the first instance about the effect lateness has on their child's education. Lateness will be recorded and monitored to identify trends, offer support and challenge where necessary. We will enforce this gradually until Easter but after the holidays we will hope for everyone's full support. As ever, we are acting in the very best interests of our children and families.

NUMBER OF THE WEEK

1803

(or 18 or 180)

Write down all of the things that you know about this number. Think about multiples, factors, number bonds, doubles, halves, finding the total, difference or product, multiplying and dividing it- the opportunities are endless! If you would like to email through your thoughts or bring them into school, Miss Rawling would love to see them.

Scoot to School

This will commence the week of the 28th—timetable to follow by email next week.

TALK THREAD

Who is your hero and why?

As promised, pictures of our recorders stars.

Well-done to all and thank you to their teacher—Fiona!
