TALK THREAD

What does your
 future look like?

BDAT INITIAL TEACHER TRAINING

Do you have what it takes to shape the lives of the next generation?

Our **teacher training** courses will inspire and prepare you to teach either as a primary or secondary teacher. For more information visit bdat-people.org/initial-teacher-training/ or contact us at faculty@bdat-academies.org

SPORTS STARS

Sam M Lyra S
 Grace N Max G

On Friday 27th May, we will be celebrating the Queen's Platinum Jubilee in school. Children can come dressed up as royalty, in something you feel relevant, or in red, white and blue. We will be having a picnic 'street party' in the playground at lunchtime. Please see the menu attached. If your child would not like any of these options, they will need to bring their own packed lunch. We would also like to invite parents to join us via the school gates from 12:25-12.55pm; please bring a picnic & blanket and your child(ren) can join you for lunch. Please order and pay for the lunch in your usual way through ParentPay unless in receipt of free school meals. **NO NUTS ON SITE PLEASE.**

NUMBER OF THE WEEK

130

or any number using the digits provided

Write down all of the things that you know about this number. Think about multiples, factors, number bonds, doubles, halves, finding the total, difference or product, multiplying and dividing it- the opportunities are endless! If you would like to email through your thoughts or bring them into school, Miss Rawling would love to see them.

Watches: Technology advances faster than we imagine and we have now seen watches in school that take images. This goes against all of our safeguarding measures. Please explain this to your child and do not allow them to wear this type of watch to school.
