We are a group of Year 6 girls who feel very passionately about looking after Bees as they are invaluable part of our life cycle. Did you know:

"Bees are one of the world's most important pollinators for food crops — each day we rely on bees and other pollinators. In fact, out of every three bites we consume relies on pollination. Yet bee populations continue to decline due to the rampant use of pesticides and other environmental factors — like climate change."

We want to support a charity aimed at supporting bee preservation and we need your help! As you know, we have a Summer Fair organised by the amazing CAPOW team happening on July 7th @ 3.30. We would like to run 2 competitions – one for CAPOW and one for:
<https://www.bumblebeeconservation.org/>

HOW CAN YOU HELP?

Competition 1) for the Bee Trust:

As we focus on our Christian value of creativity we would LOVE you to design a plant pot - preferably with a plant in that we can put in our garden area. We would like these to be in school by July 4th so we can judge the best pot and announce a winner at the Summer Fair. Any size will do and we will display them all in the main hall – a gallery of pots!

Competition 2) for CAPOW:

Name our teddy - we will be there at the Summer Fair – come to our table and have a go! It is a real cutie!

HOW MUCH IS IT?

Only £1 to enter. That's right £1! A few chores from your child will easily cover that! Bring the £1 - with your pot and of course add your child's full name clearly. For the teddy – pay on the night!

Thank you for taking the time to read this. We are very keen to do our bit for charity and appreciate your support.

Many thanks

Beth, Grace, Hannah, Lydia, Penelope and Violet Sylvie
