Year 2 project

Year 2 have been taking part in an exciting project with Saltaire Primary School and Bradford University called People, Heritage and Place. This is all part of an exciting creation that we are making for the Bradford City of Culture celebrations. This week we got to work collaboratively with children from Saltaire Primary School. Our favourite part of this stage in the project was making new friends and learning new art skills from each other. The focus was all about our favourite places in Saltaire and what they mean to us. We drew them using graphite, oil pastels and the Pen Up app on the tablets. I wonder what your favourite place is in Saltaire and why?

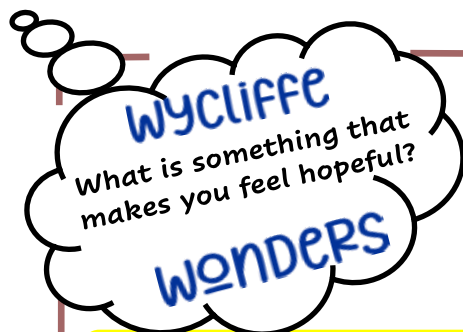

Mrs Foster had a lovely early Christmas present. A little boy, Boden Maxwell, 6lb 7oz born 22nd December. He was born a few weeks early, but both mum and baby are doing great.
