NEU industrial action - 1st Feb 2023

CRITICAL WORKERS: We have sent out a survey for identification purposes. Please note - evidence may be asked to secure a school place.

VULNERABLE/SEN CHILDREN: We already know the children that fall into these categories. We would contact you in the case of the school being closed to offer you a place.

Because we aim to be **open** on the 1st of February, for all children, the expectation is that they attend school unless ill or have another reason for absence that we will define as authorised or not on an individual basis.

We would love to hear about a spiritual moment that you have experienced. It could be in the form of a short written account, a photograph, a drawing or any creative way of your choice. An example of a moment that you may have witnessed was a few weeks ago, when a double rainbow appeared in the playground at home time. A true moment of awe and wonder for many children and adults! A spiritual experience could be defined as a moment where you felt a higher sense of purpose, peace, hope or meaning. Please bring any examples to Mrs Brodrick via the office or your child's class teacher.
