## TALK THREAD

What's really important to you right now?

### CAPOW survey outcome.

We had an incredible response of votes for 25 different types of trip. Thanks to everyone who replied. Some of the ideas are already run by school which is brilliant, others unfortunately are just out of our price range at the moment, especially with travel costs so high.

What we are doing now is getting some prices for some of the activities listed and hope to get these booked in. Keep your eyes open for announcements through the year in the newsletter and on the Friends of Wycliffe Facebook page. The first event is an inflatable fun day for all children at school in June. We hope it will be so much fun!

#### Dear Wycliffe pupils

Our pupil council have organised a school competition based on our school motto of All Different All Equal. Our aim is for our children to be able to celebrate why they are different but equal through a self-portrait. The self-portraits (to be done at home) will be displayed in an 'Art Gallery' and will be judged by an external visitor. Prizes will include pupils being a teacher for the day, being a headteacher for the day, being a teaching assistant, working in Early Years and working in the office. Self-portraits need to be handed in to class teachers by 27th March 2023. You can sketch, paint, collage, chalk - the choice and the size are all up to you.

**Please ensure FULL names and class are on your entries!**

IF YOU ARE PAYING BY CHILDCARE VOUCHERS, CONTACT THE OFFICE AND WE WILL SECURE A SPACE FOR YOU.

Books and Reading Records—please ensure these are in school everyday as we endeavour to read as often as we can.

### Spring 2 Whole School Homework Project

Instead of creating a homework project about your topic, we would like you to use the hexagons in your homework folder to create a project based entirely on your own choice! It could be to do with a particular topic that you are interested in learning about, it could be based on a particular hobby or skill that you have or it could be based on a talent or passion of yours.

Creativity and a love for learning are core values at Wycliffe so we can't wait to see what you produce. These will be going on display in school and we will choose children to present their homework to their class and some children will have the opportunity to present in Collective Worship. We can't wait to find out more about you all! Have fun.

Parents' Evening will take place on Wednesday 22nd March. You will be given a ten minute slot to speak with your child's class teacher. To ensure that this remains fair for all, **staff will be ringing a bell after each ten minute slot.** Therefore, it is crucial that you arrive **on time** for your appointment as if you are three minutes late, for example, your appointment will last only seven minutes. After your meeting, you will have free time to further browse your child's books should you wish. We look forward to these face to face meetings to be able to share your child's progress.

ONLINE GAMING SAFETY TIP: In App purchases can cost a lot of money: always get permission before you purchase them.
