Thursday 11 May 2023	Mathematics papers 1 and 2
Friday 12 May 2023	Mathematics paper 3

### King Charles III Coronation celebrations in school

### WALK TO SCHOOL WEEK: 15TH MAY

As part of our Walk to School week (15<sup>th</sup>–19<sup>th</sup> May) pupils will be encouraged to walk, wheel, cycle and scoot to school every day of the week. Classes will work together to make as many active journeys as possible. Pupils will be tracking their progress each day earning stickers as they go along, with a special reward up for grabs at the end of the week! We encourage parents to park even a little way from the school to help reduce congestion and air pollution at the school gates, and improve road safety. Pupils can walk or wheel the last few minutes into school and still earn their reward. This year's challenge encourages children to look out for various animals along their way and to learn about the important reasons to walk. Each day we will focus on walking for a different value, these include: inclusion, sustainability, health, mindfulness and friendship. We understand that walking/wheeling to school, even part of the way, might not be an option for all but we know you will try your best!

Miss Dodsworth, who was our Ash teacher this year, gave birth to Joshua Monty, weighing a healthy 6lb 4oz. Both are doing very well.

### DONATIONS WANTED

We are looking for donations of suitable outdoor play equipment for our children to enjoy during their playtimes. If you are able to donate, we would be very grateful.

ONLINE GAMING SAFETY TIP: Enjoying yourself is important, but don't spend too long playing games online.
