

Wycliffe Church of England Primary School

Phonics Policy

Ratified by the governing body: Jul 2023

To be reviewed: May 2024

Vision Statement

We nurture an aspirational family of hard-working, respectful individuals who work collaboratively to have a lifelong love of learning. "Life in all its fullness" (John 10:10)

Our vision is to ensure that our school family are happy and fulfilled in a creative learning environment. This is flexible and caters to individual needs while developing a life-long love for learning through which all members can flourish. We nurture an aspirational family of hardworking, respectful individuals who work collaboratively.

Intent

Phonics (reading and spelling)

At Wycliffe, we believe that all our children can become fluent readers and writers. This is why we teach reading through *Little Wandle Letters and Sounds Revised*, which is a systematic and synthetic phonics programme. We start teaching phonics in Reception and follow the *Little Wandle Letters and Sounds Revised* progression, which ensures children build on their growing knowledge of the alphabetic code, mastering phonics to read and spell as they move through school.

As a result, all our children are able to tackle any unfamiliar words as they read. At Wycliffe, we also model the application of the alphabetic code through phonics in shared reading and writing, both inside and outside of the phonics lesson and across the curriculum. We have a strong focus on language development for our children because we know that speaking and listening are crucial skills for reading and writing in all subjects.

Comprehension

At Wycliffe, we value reading as a crucial life skill. By the time children leave us, they read confidently for meaning and regularly enjoy reading for pleasure. Our readers are equipped with the tools to tackle unfamiliar vocabulary. We encourage our children to see themselves as readers for both pleasure and purpose.

Because we believe teaching every child to read is so important, we have a Reading Leader who drives the early reading programme in our school. This person is highly skilled at teaching phonics and reading, and they monitor and support our full staff team, so everyone teaches with fidelity to the *Little Wandle Letters and Sounds Revised* programme.

Implementation

Daily phonics lessons in Reception and Year 1

- We teach phonics for 30 minutes a day. In Reception, we build from 10-minute lessons, with
 additional daily oral blending games, to the full-length lesson as quickly as possible. Each Friday, we
 review the week's teaching to help children become fluent readers. Reception lessons are split into
 sessions one for reading and one to apply the skills they have learnt in their reading section into
 their writing. Initially, the children write individual graphemes. This then progresses to words and
 then full sentences.
- o Children make a strong start in Reception: teaching begins in Week 2 of the Autumn term.
- o We follow the <u>Little Wandle Letters and Sounds Revised</u> expectations of progress:

- o Children in Reception are taught to read and spell words using Phase 2 and 3 GPCs, and words with adjacent consonants (Phase 4) with fluency and accuracy.
- Children in Year 1 review Phase 3 and 4 and are taught to read and spell words using Phase 5 GPCs with fluency and accuracy.

Daily Keep-up lessons ensure every child learns to read

- Any child who needs additional practice has daily keep-up support, taught by a fully trained adult.
 Keep-up sessions match the structure of class teaching, and use the same procedures, resources and mantras, but in smaller steps with more repetition, to support every child secure their learning.
- We timetable further phonics keep-up interventions for any child in school is not fully fluent at reading Phase 5 texts or has not passed the Phonics screening check. These children urgently need to catch up, so the gap between themselves and their peers does not widen. We use the *Little Wandle Letters and Sounds Revised placement* assessments to identify the gaps in their phonic knowledge and teach to these using the Keep-up resources – at pace.

Home reading

- The decodable reading practice book is taken home to ensure success is shared with the family.
- o Library books also go home for parents to share and read to children.
- We use the <u>Little Wandle Letters and Sounds Revised parents' resources</u> to engage our families and share information about phonics, the benefits of sharing books, how children learn to blend and other aspects of our provision, both online and through workshops.

Additional reading support for vulnerable children

• Children in all year groups will receive additional phonics Keep-up sessions and we will aim to read with these children daily.

Ensuring consistency and pace of progress

- Every teacher in our school has been trained to teach reading, so we have the same expectations of progress. We all use the same language, routines and resources to teach children to read so that we lower children's cognitive load.
- Weekly content grids map each element of new learning to each day, week and term for the duration of the programme.
- Lesson and intervention templates and how to videos ensure teachers all have a consistent approach and structure for each lesson.
- The Reading Leader regularly monitor and observe teaching; they use the summative data to identify children who need additional support and gaps in learning.

Ensuring reading for pleasure

'Reading for pleasure is the single most important indicator of a child's success.' (OECD 2002) 'The will influences the skill and vice versa.' (OECD 2010)

We value reading for pleasure highly and work hard as a school to grow our Reading for Pleasure pedagogy.

- We read to children every day throughout different lessons and when reading our class novels. We choose these books carefully as we want children to experience a wide range of books, including books that reflect the children at Wycliffe, and our local community as well as books that open windows into other worlds and cultures.
- Every classroom has an inviting reading area that encourages a love for reading. We curate these books and talk about them to entice children to read a wide range of books.
- In Reception, children have access to the reading area every day in their free flow time and the books are continually refreshed.

- Children from Reception onwards have a home reading record. The parent/carer records comments
 to share with the adults in school and the adults will write in this on a regular basis to ensure
 communication between home and school.
- The school library is made available for classes to use at protected times. This is timetables and classes use this every other week to borrow and return books.

Impact

Assessment

Assessment is used to monitor progress and to identify any child needing additional support as soon as they need it.

- Assessment for learning is used:
- o daily within class to identify children needing Keep-up support
- weekly in the Review lesson to assess gaps, address these immediately and secure fluency of GPCs, words and spellings.
- o **Summative assessment** is used:
- o every six weeks to assess progress, to identify gaps in learning that need to be addressed, to identify any children needing additional support and to plan the Keep-up support that they need.
- o by the reading leader and scrutinised through the *Little Wandle Letters and Sounds Revised* assessment tracker, to narrow attainment gaps between different groups of children and so that any additional support for teachers can be put into place.

Statutory assessment

o Children in Year 1 sit the Phonics screening check. Any child not passing the check re-sits it in Year 2.

Ongoing assessment for catch-up

- o Children in Year 2 to 6 are assessed through:
- o their teacher's ongoing formative assessment
- o the Little Wandle Letters and Sounds placement assessment
