Overview of skills and progression– SCIENCE

	Autumn	Spring	Summer
Year 1	Animals including humans – body parts Day and night Seasons	Materials Working Scientifically – floating and sinking	Animals including humans – identify different types of animals Plants
Year 2	Materials Scientific Enquiry	Living things and their habitats (locally, at the seaside and around the world) Living, dead and never alive Animals including humans – (seaside) animals	Animals including humans – life cycle of a human and human needs Plants
Year 3	Rocks Forces and Magnets	Animals, Skeletons and Nutrition Scientific Enquiry	Plant life cycles Light
Year 4	States of Matter Animals including humans – humans	Electricity Living things and their habitats	Sound Animals including humans - animals
Year 5	Scientific Enquiry related to states of matter and properties and change of materials – Y4/5 Living things and their habitats – Y5	Forces and Magnets Plant life cycles	Animals including humans Sound
Year 6	Living things and their habitats Animals including Humans	Evolution and inheritance Light*	Electricity* Scientific Enquiry
