Areas to develop:

- Organise sports days earlier in the summer, so if the weather is bad or children have to self-isolate, they can be done another time.
- Consideration of blended families has been a bad point on multiple occasions.
- Would love to see / hear of more music, art and outdoor learning.
- Would just like to know how you challenge bright children – Mrs Wills mentioned there was an initiative but I haven't heard anything since.
- Concerned about staff turnover – no one's fault but has disrupted classes since 2018 (I mean besides COVID pandemic). Long-term sicknesses & departures. Bit worrying
- Next year I would like to see more outdoor activities for children to play with as my son gets bored outside. Also a lot more praise from the teachers.
- I look forward to being able to come in and see performances / be more involved in what they are up to everyday.
- Video-link setup needs improvement – group call, multiple parents and more time.
- Can Eid be celebrated next year?
