### Spelling workshop for Parents

On October 8th at 3:30pm, Mrs Brodrick will be leading a workshop to help you support your children with learning their spellings and accessing Spelling Frame. The workshop will take place in school. Should you need to bring your children along, there will be a room available close by with a member of school staff to look after them. We will look at interesting strategies that you can use at home to make learning spellings more fun and effective! As well as this, Mrs Brodrick will give you some rationale behind the importance of learning spellings. Finally, we will take a closer look at Spelling Frame and how this can play a useful role in supporting your child to learn their spellings at home. We look forward to seeing you on Tuesday 8th October.
