LAST WEEK'S ATTENDANCE

As Parents' Evening approaches, can we inform you that one email relating to this has gone to your child's 1st contact point through T2P. If you are parents who are separated, please liaise and arrange this with the other parent. We hope you can come together to discuss your child, but if not perhaps take turns as we have a second meeting in the Spring Term. We do not offer separate parent evenings and our system will not send to more than one contact. Thank you for your support with this.

Spelling workshop for Parents

On October 8th at 3:30pm, Mrs Brodrick will be leading a workshop to help you support your children with learning their spellings and accessing Spelling Frame. The workshop will take place in school. Should you need to bring your children along, there will be a room available close by with a member of school staff to look after them. We will look at interesting strategies that you can use at home to make learning spellings more fun and effective! As well as this, Mrs Brodrick will give you some rationale behind the importance of learning spellings. Finally, we will take a closer look at Spelling Frame and how this can play a useful role in supporting your child to learn their spellings at home. We look forward to seeing you on Tuesday 8th October.

We would love to share yours and your child's WOW moments. Please send them into us.

WYCLIFFE WOW MOMENTS

Freddie was star of the week at his new Acro Class (he's only been going for 3 weeks) for working hard and good listening. We are very proud that you are following the Wycliffe Way outside our school!

Willow achieved her 50 metres swimming badge for doing 2 lengths at Shipley pool. Well done!
