“Life in all its fullness” (John 10:10)

18th October 2024

Dear parent/carers,

Re: School meal price increase.

We have been informed by Bradford Council that the price of school dinner for primary school children as of 4th November 2024 will increase to £2.35 per day. Dinner money for one week will be £11.75. You can pay weekly, monthly or termly, but Bradford Council require your account to be in credit.

We only accept payment via ParentPay, as we no longer have the facility to accept cash for dinners. If you need the login details for your child(ren) please contact the school office team.

Don't forget to apply for free school meals as your child may be eligible. If your claim is successful, this will help your child and the school hugely with funding towards resources.

Free school meals are available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- Universal Credit (provided they have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Child Tax Credit (provided not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on – paid for four weeks after they stop qualifying for Working Tax Credit

Yours faithfully,

The School Office
