On Friday 7th February, Wycliffe will be taking part in NSPCCs **Number Day 2025**. Children can come to school dressed in anything related to numbers. Exciting activities are planned for the school day. Families will be asked to make a donation and all funds raised will go to the NSPCC

Internet Safety Day

Internet Safety Day is on February 11th. At school, children will engage in various activities to learn about staying safe online. The theme is: "Is it too good to be true?" Mr. Stirk is holding a competition for the best poster about Internet safety, which children can create at home. You can either make your poster by hand or use your IT skills. 7 winning posters will be chosen for your chance to be a staff member for the day! Mr. Stirk looks forward to seeing these and displaying them at school. Please hand your posters to Mr Stirk or the office before February 11th.

COMPETITION

Some of our Year 6 students will be participating in a sponsored walk as part of their 'Grow a £1' challenge to raise funds for their End of Year production. If you would like to support them, please follow the link below to make a donation or check out our Facebook page. [Raise funds for the Year 6 production of Mary Poppins!](#)

WONDERS

OUR CHRISTIAN VALUE THIS HALF TERM IS: →

We invite you to produce something based on our Christian Value, that we can display in school e.g. art work, models, a song etc.

Calling all Parent/Carers!!

Do you work in a STEM (Science, Technology, Engineering or Maths) career? Would you be interested in coming into school and sharing / talking / informing some of our pupils about your work? We would like to make our Science Week (10th - 15 March) really interactive this year. Ideally you would only need to give up an hour of your time. If you are interested, please speak to Mrs Docherty or contact the office. Many Thanks.
