## Internet Safety Day

Internet Safety Day is on February 11th. At school, children will engage in various activities to learn about staying safe online. The theme is: "Is it too good to be true?" Mr. Stirk is holding a competition for the best poster about Internet safety, which children can create at home. You can either make your poster by hand or use your IT skills. 7 winning posters will be chosen for your chance to be a staff member for the day! Mr. Stirk looks forward to seeing these and displaying them at school. Please hand your posters to Mr Stirk or the office by the end of Monday 10th Feb

**COMPETITION**

We bid farewell to Mrs. Carroll next week, who has worked at Wycliffe for five years in the office. We wish her the best of luck in her new job and are confident that she will stop by.

## OUR CHRISTIAN VALUE THIS HALF TERM IS: →

We invite you to produce something based on our Christian Value, that we can display in school e.g. art work, models, a song etc.

### Calling all Parent/Carers!!

Do you work in a STEM (Science, Technology, Engineering or Maths) career? Would you be interested in coming into school and sharing / talking / informing some of our pupils about your work? We would like to make our Science Week (10th - 15 March) really interactive this year. Ideally you would only need to give up an hour of your time. If you are interested, please speak to Mrs Docherty or contact the office. Many Thanks.

## World Book Day 2025

06.03.2025

This year we would like you to come dressed as a character from your favourite story. If you have a copy, please bring this book into school so that in class we can all share who we are and what story we are from. We can't wait to see everyone and have a fun-filled day of reading activities in school!
