### EGG DECORATING

You could decorate your wooden, cardboard or real egg with a face, or how about creating a scene, which could be about a hobby, something funny or even a school topic. Whatever you choose, it will be Egg-cellent!\*

**Drop off your egg entries at the office from Monday 24th March, your cakes the morning of the event.**

Cakes will be displayed and then sold for CAPOW (should the baker agree).

**Refreshments Available.**

\*Ask at the office if you need some more guidance
