

Our Early Years Team

This year, Wycliffe will have just one Reception class and Miss Jukes will be the class teacher. She will be your child's key person throughout their first year with us. In addition to her teaching role, Miss Jukes continues as our Early Years Safeguarding Lead. She is a key point of contact for any safeguarding concerns, can offer guidance on school policies and procedures, and will help ensure you have access to any relevant support services. If you have questions regarding safeguarding, please don't hesitate to speak with her.

The Reception class will also benefit from the support of a teaching assistant.

Mrs Sawyer will now be based in Year One and will continue her role as Early Years, Key Stage One and Reading Lead. She remains available for additional support and guidance, so please feel free to contact her at any time. Throughout the year, she will share important updates and continue to run workshops for parents—let us know if there is anything specific you would like support with.

We encourage you to show your children the photos below to help them become familiar with our faces!

Miss Jukes
