COURAGE CREATIVITY RESPECT FORGIVENESS OUR VALUES: LOVE HOPE

What's up @ Wycliffe!

Exec. Head: Mr G Hamilton Head: Mr C Holdsworth

Our vision: "Life in all its fullness" (John 10:10)

Our Christian value next half term is:

We hope you have a lovely break, school re-opens on <u>Monday 3rd November</u>.

Headteachers Message

Welcome to the first of our new half termly newsletters, rounding up all the excitement of the last half term and looking ahead!

We have spent a lot of time over the last weeks concentrating on kindness in school. I hope your child has been coming home and telling you about the acts of kindness they have been showing in school. We will be exploring this some more next half term and developing The Wycliffe Way of learning and living together.

And what a busy and exciting next half term it is sure to be as we looking forward to Advent and Christmas!

Thank you for all your support this half term. Have a lovely break and we will see you all on Monday 3rd November.

Mr Hamilton.

Our esafety Top Tips

People you don't know are strangers.

> They're not always who they say they are.

Be nice to people like you would on the playground

If you ever get that 'uh oh' feeling, tell a grown-up you trust.

School Meal Increase

COURAGE CR

NESS OUR VALUES: LOVE

HOPE COURAGE

From Monday 3rd November the price for a school meal will rise to £2.55 per day.

Have you checked if your child may be eligible for free school meals? Its quick and easy, simply follow the link below to check if you are entitled.

www.bradford.gov.uk/benefits/applying-for-benefits/free-school-meals/

Top Tips for Limiting Screentime:

- agree on daily/ weekly limits

- be clear about when/ where screens are/

are not allowed (no screens during meals, no screen in bedrooms overnight)

2. Create "tech-free" zones and times

- bedrooms should ideally be screen-free at night to protect sleep
- have family screen breaks such as after school, at dinner or on family outings

3. Model the behaviour you want to see

- if you put your phone down during meals/ conversations children learn to do the same
- show them how to use technology positively (for learning, creativity or staying in touch with family)

4. Talk openly about online safety

- start early with age-appropriate discussions about being kind and respectful online
- discuss how to ask for help if you are scared or unsure
