 in the Main Hall after school.
 Enter via the main entrance.
[@SCHOOLARTS]

Spring 2 (23.02 -25.03)
Attendance **95.4%**

Our target is **97%**

WORLD BOOK DAY

WINNERS!

What a fantastic World Book Day we had at Wycliffe! We all embraced the theme 'Character or Comfy' and enjoyed a day filled with exciting activities. In the weeks leading up to World Book Day, some people took part in the 'Wooden Spoon Character Competition'. There were some stunning entries that must have taken so much time. We hope you enjoyed creating these together as a family. **Congratulations** to the winners Hannah, Emma, Ruby, Otis, James and Zaynab who were all given the chance to choose a brand new book of their choice. During the day, we also did a mystery reader hunt and got to find out the favourite books of some Wycliffe staff members and we wrote a silly story that travelled all the way round school! Thank you everyone for taking part and remember... keep reading!

BIG SING

We held a Big Sing to raise funds for the Zephaniah Trust. It was also an opportunity to again say thank you for the work of John Froud in supporting the local community.

Yvonne, John's daughter-in-law, and Natalie from the Zephaniah Trust led us in singing two of John's favourite songs.

The sun shone as we sang together in the playground. It was lovely to be joined by so many families too. :)

Thank you for all the donations, we have so far raised £60 to donate to Zephaniah to help them continue their Fantastic work.

INTERSCHOOL COMPETITIONS

NETBALL

MULTISPORTS Nine children in year 5 and 6 represented our school brilliantly in the BDAT interschool multisport competition! They competed in multiple events including throwing, jumping and running. The children finished off the day with a team relay race. Lots of the children had personal bests during the competition where they came first or second individually. The children were so well behaved and represented Wycliffe brilliantly!

A team of 7 children from year 5 and 6 competed in an interschool BDAT netball competition against lots of other teams. They trained together during lunchtime with Kanga and worked so hard to remember the rules and positions in the game. For lots of these children it was their first experience of a match and they performed so well! We were very impressed with their attitude, behaviour and enthusiasm and they were a credit to our school!

Easter services

Our children did us proud at the Easter services on Thursday! Thank you to all parents and carers who joined and for your generous donations for The Zephaniah Trust.

We took part in British Science Week and the theme for this year was Curiosity: What's your question?

Each class was given a question to explore to promote their curiosity into the many areas of Science, not just what we teach in school! We had lots of questions asked, talked about and answered.

BRITISH SCIENCE WEEK

Garden day

A big thank you to all the families and staff who gave up their Saturday on 14th March to take part in our Garden Tidy Day. Thanks to everyone's hard work and teamwork, the school garden has been refreshed and is now ready for the summer months ahead. We truly appreciate your time and effort in helping to create a lovely outdoor space for the children to enjoy.

AFTERSCHOOL SPORTS

SUMMER 1 - 2026
13TH APRIL - 21ST MAY 2026
