We hope you have a lovely summer ! School re-opens on Wednesday 2nd September.

Headteachers message

We are always full of pride at the end of the long summer term - looking back on all the achievements of the year and, for classes like Year 6, looking back on all their time with us here at Wycliffe.

It is no different once again this year. The children have been brilliant all year, especially with our renewed focus on our relationships with each other in school and the focus on our school values. This is something we are looking forward to building on even more in the new year.

I must say a huge thankyou to our amazing, dedicated staff - all roles, both inside and outside the classroom. It really is a massive team effort and I am very fortunate to have the team we have here at Wycliffe. Thank you!

I hope you all have a lovely summer and we will see you all back on
Wednesday 2nd September 2026.

★ ALL CHILDREN MUST BE ACCOMPANIED BY AN ADULT ★

★ FUN FOR ALL THE FAMILY! ★

Throughout the summer, Bradford Libraries are holding a free summer reading challenge, 'Read to the Beat'. It incorporates music, drama, art and reading so there is something for everyone to enjoy. There are various FREE activities held in local parks and libraries throughout the summer holidays. The document has been shared via ClassDojo for your reference. Lots of things to keep the children busy! A reminder that it is also FREE, quick and easy to join the library and children can borrow up to 20 books at a time.

Bradford Clean Air Schools Programme (BCASP)

Wycliffe CE Primary School received funding through BCASP to explore ways of reducing children's exposure to air pollution on the journey to and from school, and throughout the school day. This exciting project also brought challenges, with the school located next to a busy main road and limited nearby parking for pick-ups and drop offs. However, we are pleased to say we worked with Nifty Sustainability and Emma and Amy Bairstow at Artworks Education to develop a creative art and mapping campaign. Please look out for the information sheet and maps the children bring home as well as the fantastic new artwork outside the school.

Welcome

Goodbye Year six!

It's hard to believe that many of you walked through our doors for the very first time back in Reception tiny, curious, and full of energy. Since then, we've watched you grow into confident, kind and resilient young people who make us incredibly proud.

You've shown determination in your learning, supported one another through challenges, and brought so much joy to our school community. As you move on to secondary school, remember that you carry every lesson, every friendship and every achievement with you.

We will miss you greatly, but we cannot wait to see all the amazing things you will go on to do. Always believe in yourselves, you are capable of wonderful things.
